**Your payments for programs of the online nnnBET.club or nnnLotto.com go directly to your playing profiles, plus you will automatically receive 100% of the amount\* to your balance in your own CGB profile, intended for so-called "revolving account".**

Of course, you can play immediately with 100% of your paid amount without any restrictions.

- The amounts in your "revolving account" will be used for permanent automatic duplication of the amounts received in your own virtual **nnnVoucher**
- **Your nnnVoucher** is filled up through the consumption and payments of your enrolled members/players
- When you want to use amount in nnnVoucher, it will be split on two half, and the amount will be divided into two equal halves, one of which will go to your revolving account and the other with the purchase of nnnVoucher for 20% only - so that you can use all 100% (**500%**).
- So, then you will be able to use **nnnVoucher** for **FIVEFOLD (5/5)** the value of your real money payment

- **It's the same as if you would always have 500% greater odds!**
- So, Pay 100%, you get another 400% = a total of **500%** (stakes allways in real money, not bonus)
- Of course, the question is "how is my nnnVoucher actually filled"?
  - The answer is simple:  
you will get in your **nnnVoucher**, almost lifelong, approx 60% of all payments for consumption from your registered members (under rules and procedures of the CGB)
- Number of profiles that anyone can enroll for themselves in this and other programs of CGB is unlimited.

**pay 1/5 - use 5/5**
